

THAT BODY IS THE SCENE OF CRIME. WE BELIEVE CANCER MAY HAVE SPREAD! WE NEED TO FIND WHERE THE CANCER MIGHT BE HIDING AND FAST!

DON'T WORRY!
THAT'S A JOB FOR ME!
BESIDES, I ONLY HAVE A FEW HOURS BEFORE I DISAPPEAR...
DO YOU HAVE ANY TOOL TO GUIDE ME THROUGH THE BODY?

I NEED TO TRACK WHERE THE WORST TUMOR SITES ARE!

WE HAVE A TOOL, WHICH WILL HELP YOU FIND ANY CANCER CELL. WORKS FOR MOST CASES, HOWEVER...

WE ALSO DEVELOP A MODIFIED PROTEIN WHICH WOULD ALLOW YOU TO SEE EVEN THE SNEAKIEST TUMOURS. ...WANT TO TRY IT OUT?

I'LL GIVE IT A SHOT!

FLUORINE RIDES THE CAR THROUGH THE BLOOD VESSELS. AFTER INJECTION, FLUORINE-18 TRAVELS THE BODY IN SEARCH OF CANCER CELLS...

UGH!!!
THIS LOOKS
LIKE ONE OF THE
TUMOURS...

WITH THE HELP OF THE NEW BIKE, FLUORINE FINDS WHAT HE'S LOOKING FOR...

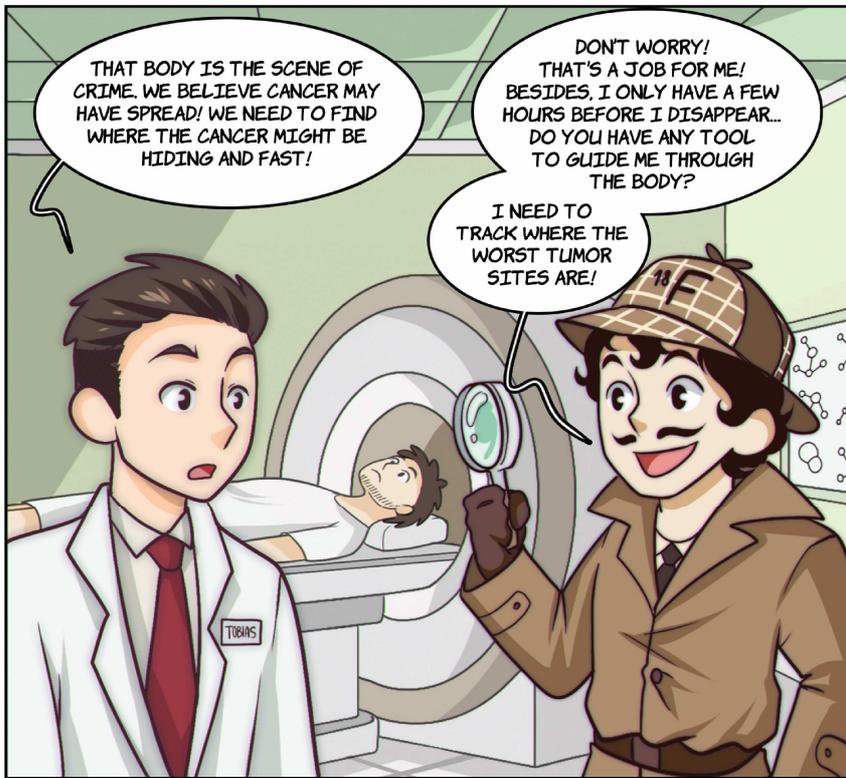

AHA! I FOUND YOU!
GOT TO REPORT
THIS TO TOBIAS
ASAP!

THANKS TO YOUR
POSITRONS, WE NOW KNOW
WHERE THE TUMOURS HIDE,
WE CAN CHOOSE A
TREATMENT!

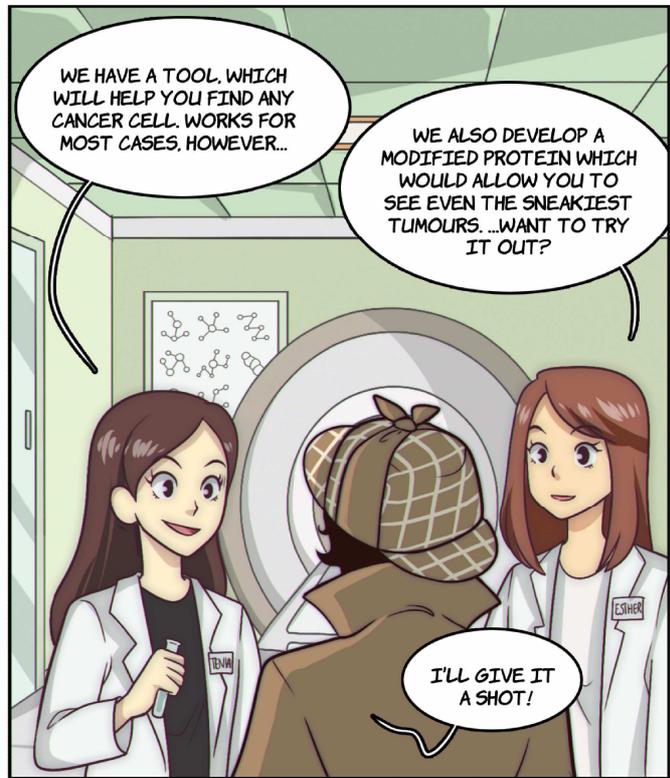

MY PLEASURE,
CALL THE CYCLOTRON
WHEN YOU NEED ME
AGAIN!
